

## SEALING OF JUVENILE RECORDS

Dear Applicant:

Please fill-in all the blanks on the Application to Petition to Seal Juvenile Records form as completely as possible, listing dates of arrest, arresting agency, offense and disposition. It is very important that we have your complete record of arrests and the arresting agency so we can have all of your records sealed, otherwise, the purpose of petitioning for Sealing of Records may be defeated and all of your records may not be sealed.

The Court has established and ordered a **\$125.00** fee for the Sealing of Records; said **\$125.00** must be paid to the **Kings County Probation Department** prior to the investigation being started and it is **non-refundable**.

All fines, fees and restitution must be paid in full prior to sealing approval.

If you have any questions, please contact the Probation Department.
